Subject: Urgent Message Regarding Recent Incident

To Trevor,

I hope this email finds you well. I am reaching out to you regarding the events that unfolded recently, and I must stress the importance of your discretion moving forward.

It has come to my attention that you were present during a certain incident that occurred at 68 OLD DRY PLAINS ROAD, COOMA, NSW 2630. Let me be clear: your silence on this matter is of utmost importance.

I trust you understand the gravity of the situation.

I strongly advise against contacting law enforcement or discussing what you witnessed with anyone. Failure to comply will result in severe consequences for both you and your loved ones.

To illustrate the seriousness of my intentions, allow me to provide some details that should make the situation abundantly clear:

I am aware of your address at KEVERSTONE CIRCUIT, where you reside with your family. Any attempts to involve the authorities will not go unnoticed.

I am also familiar with the vehicle you drive, a Silver Isuzu, and license plate number YIB19D. Rest assured, we have ways of ensuring you are kept under close observation.

Furthermore, I possess a SIG Sauer P20 that I am not hesitant to use if provoked. Let this serve as a reminder that crossing me will lead to dire consequences.

I trust this message has conveyed the severity of the situation. Cooperation and discretion on your part will be greatly appreciated and will ensure the safety of yourself and your loved ones.

Remember, silence is your best course of action.

Sincerely,

Ms. Norman
