

Witness Statement

Name: Ira Cabral

Address: 147 KEVERSTONE CIRCUIT, ISABELLA PLAINS, ACT 2905

Date: 29/02/2024

I, Ira Cabral, hereby provide this witness statement regarding the incident I witnessed on 22/06/2009.

On the aforementioned date, I was standing outside 19 RIVERBEND WAY, MURWILLUMBAH, NSW 2484 when I observed a disturbing altercation taking place. Two individuals were involved in a heated argument, which quickly escalated into a physical confrontation.

The first individual, whom I recognized as Cara Rider, was aggressively confronting the other individual, later identified as Raphael Crighton. Cara Rider appeared visibly agitated and was making threatening gestures towards Raphael Crighton.

During the altercation, Cara Rider brandished a firearm, which he pointed directly at Raphael Crighton. The firearm appeared to be a Heckler & Koch P20. The sight of the firearm intensified the situation, causing bystanders, including myself, to seek cover and distance ourselves from the scene.

Cara Rider continued to verbally threaten Raphael Crighton, while brandishing the firearm in a reckless and menacing manner. It was evident that the situation was escalating dangerously, and I feared for the safety of everyone in the vicinity.

Shortly after, Cara Rider entered a White Mercedes parked nearby bearing license plate number YTP80M. He then hastily drove away from the scene, leaving behind a sense of fear and unease among witnesses.

I immediately contacted the authorities to report the incident and provide them with a detailed description of the events that transpired. I cooperated fully with law enforcement officers upon their arrival at the scene, providing them with this statement and any additional information that may assist in their investigation.

I declare that the foregoing statement is true and accurate to the best of my knowledge and belief.
