INeed2P: Hey, got a proposition for you. You interested?

DemoGuy: What's up? I'm listening. What do you have in mind?

INeed2P: Ever thought about making some serious cash with minimal effort?

DemoGuy: Go on...

INeed2P: I've been scoping out this wealthy neighborhood, and I've found the perfect target. There's this rich guy, Raphael Crighton who lives at 2 KYNASTON AVENUE, RANDWICK, NSW 2031, and I've got a plan to snatch his kid for a hefty ransom.

DemoGuy: Whoa, hold on. Kidnapping? That's some serious stuff.

INeed2P: Yeah, but think about it. We could walk away with millions if we play our cards right.

DemoGuy: I don't know, man. That sounds risky as hell.

INeed2P: Trust me, I've thought this through. We'll grab the kid, leave no trace, and demand a ransom. Easy money.

DemoGuy: And what if the cops get involved?

INeed2P: Don't worry, I've got it covered. We'll keep the kid hidden until we get the cash, then we'll release them unharmed. Simple.

DemoGuy: Keep him where?

INeed2P: My buddy Ian has this place out at BEVERIDGE DRIVE, HORSLEY. He said I can use it for dodgy shit whenever I want.

INeed2P: Come on, man. This is the opportunity of a lifetime. Think about what we could do with all that money.

DemoGuy: Alright, fine. But we need to make sure we cover our tracks and have a solid plan.

INeed2P: That's the spirit! Meet me at HORSLEY tonight at midnight, and we'll go over the details one more time.

DemoGuy: Alright, I'll be there. Let's hope this goes smoothly.
