

Whistleblower Statement

Name: Roman Hagendorf

Address: 2 KYNASTON AVENUE, RANDWICK, NSW 2031

Date: 29/02/2024

I, Roman Hagendorf, hereby provide this whistleblower statement regarding criminal activities that I have become aware of involving Mad Scientists and Supervillains United, its employees, and specifically, Virgie Gurrola.

I have recently discovered evidence indicating that Virgie Gurrola, a senior executive at Mad Scientists and Supervillains United, has been engaging in fraudulent activities aimed at embezzling company funds for personal gain.

Through my position within the finance department, I stumbled upon suspicious transactions linked to Virgie Gurrola. These transactions involved the transfer of significant sums of money from company accounts to a private bank account held under the name of Mr. Erwin Glenn. Furthermore, I came across emails exchanged between Virgie Gurrola and external parties named 0486593015 discussing these illicit transactions.

Upon further investigation, I found that Virgie Gurrola had been using their position of authority to manipulate financial records and bypass internal controls to cover up their fraudulent activities. This unethical behavior poses a severe threat to the financial integrity and reputation of Mad Scientists and Supervillains United.

In addition to the evidence of financial misconduct, I have also witnessed Virgie Gurrola engaging in coercive tactics to silence employees who questioned their actions. This behavior creates a toxic work environment and undermines the values of integrity and transparency that Mad Scientists and Supervillains United claims to uphold.

I believe that it is imperative to bring these criminal activities to light and hold those responsible accountable for their actions. As such, I am willing to provide further information and cooperate fully with any investigation into these matters.

For further inquiries or to discuss this matter in more detail, I can be reached at 0486593015 or via email at pleaseletmeout@sas.com.

I trust that appropriate measures will be taken to address these issues and uphold the principles of justice and accountability within Mad Scientists and Supervillains United.

I declare that the foregoing statement is true and accurate to the best of my knowledge and belief.

Roman Hagendorf
