NotACrim: Hey, got a proposition for you. You interested?

IYELLALOT: What's up? I'm listening. What do you have in mind?

NotACrim: Ever thought about making some serious cash with minimal effort?

IYELLALOT: Go on...

NotACrim: I've been scoping out this wealthy neighborhood, and I've found the perfect target. There's this rich guy, Shaun Bruhmuller who lives at 7 NORTHVIEW CLOSE, BLACK RANGE, NSW 2550, and I've got a plan to snatch his kid for a hefty ransom.

IYELLALOT: Whoa, hold on. Kidnapping? That's some serious stuff.

NotACrim: Yeah, but think about it. We could walk away with millions if we play our cards right.

IYELLALOT: I don't know, man. That sounds risky as hell.

NotACrim: Trust me, I've thought this through. We'll grab the kid, leave no trace, and demand a ransom. Easy money.

IYELLALOT: And what if the cops get involved?

NotACrim: Don't worry, I've got it covered. We'll keep the kid hidden until we get the cash, then we'll release them unharmed. Simple.

IYELLALOT: Keep him where?

NotACrim: My buddy Michael has this place out at COOPER STREET, RANDWICK. He said I can use it for dodgy shit whenever I want.

NotACrim: Come on, man. This is the opportunity of a lifetime. Think about what we could do with all that money.

IYELLALOT: Alright, fine. But we need to make sure we cover our tracks and have a solid plan.

NotACrim: That's the spirit! Meet me at RANDWICK tonight at midnight, and we'll go over the details one more time.

IYELLALOT: Alright, I'll be there. Let's hope this goes smoothly.
