Dear Emanuel,

I hope this email finds you well. I'm reaching out to you with an urgent matter that requires your immediate attention.

As discussed in our previous meetings, Operation "Acquisition" is underway, and we need to expedite the process. Our target vehicle, a Ford Pathfinder, is located at 68 OLD DRY PLAINS ROAD, COOMA, NSW 2630. It's imperative that we secure this vehicle as soon as possible.

Your task is to coordinate the retrieval of the Ford from the specified address. Please ensure that all necessary precautions are taken to execute this operation discreetly and efficiently. Time is of the essence, so I trust you'll handle this matter with the utmost urgency.

Kindly keep me updated on your progress throughout the operation. Should you encounter any obstacles or require assistance, do not hesitate to reach out to me immediately.

Thank you for your cooperation and dedication to this mission.

Best regards,

Marcos Biggi
