

Witness Statement

Name: Jackson Case

Address: 250 KIRKWOOD ROAD, TWEED HEADS SOUTH, NSW 2486

Date: 29/02/2024

I, Jackson Case, hereby provide this witness statement regarding the incident I witnessed on 3/08/2012.

On the aforementioned date, I was standing outside 19 ROSSARDEN STREET, FISHER, ACT 2611 when I observed a disturbing altercation taking place. Two individuals were involved in a heated argument, which quickly escalated into a physical confrontation.

The first individual, whom I recognized as Hugo English, was aggressively confronting the other individual, later identified as Jackson Case. Hugo English appeared visibly agitated and was making threatening gestures towards Jackson Case.

During the altercation, Hugo English brandished a firearm, which he pointed directly at Jackson Case. The firearm appeared to be a SIG Sauer Mauser M98. The sight of the firearm intensified the situation, causing bystanders, including myself, to seek cover and distance ourselves from the scene.

Hugo English continued to verbally threaten Jackson Case, while brandishing the firearm in a reckless and menacing manner. It was evident that the situation was escalating dangerously, and I feared for the safety of everyone in the vicinity.

Shortly after, Hugo English entered a Silver Audi parked nearby bearing license plate number YOU42W. He then hastily drove away from the scene, leaving behind a sense of fear and unease among witnesses.

I immediately contacted the authorities to report the incident and provide them with a detailed description of the events that transpired. I cooperated fully with law enforcement officers upon their arrival at the scene, providing them with this statement and any additional information that may assist in their investigation.

I declare that the foregoing statement is true and accurate to the best of my knowledge and belief.
