

Witness Statement

Name: Dakota Crowther

Address: 19 ROSSARDEN STREET, FISHER, ACT 2611

Date: 29/02/2024

I, Dakota Crowther, hereby provide this witness statement regarding the incident I witnessed on 16/02/2022.

On the aforementioned date, I was standing outside 54 PROSPECT STREET, ROSEHILL, NSW 2142 when I observed a disturbing altercation taking place. Two individuals were involved in a heated argument, which quickly escalated into a physical confrontation.

The first individual, whom I recognized as Marcos Biggi, was aggressively confronting the other individual, later identified as Greg Leonard. Marcos Biggi appeared visibly agitated and was making threatening gestures towards Greg Leonard.

During the altercation, Marcos Biggi brandished a firearm, which he pointed directly at Greg Leonard. The firearm appeared to be a SIG Sauer .38 Special. The sight of the firearm intensified the situation, causing bystanders, including myself, to seek cover and distance ourselves from the scene.

Marcos Biggi continued to verbally threaten Greg Leonard, while brandishing the firearm in a reckless and menacing manner. It was evident that the situation was escalating dangerously, and I feared for the safety of everyone in the vicinity.

Shortly after, Marcos Biggi entered a Black Mazda parked nearby bearing license plate number YTQ69Z. He then hastily drove away from the scene, leaving behind a sense of fear and unease among witnesses.

I immediately contacted the authorities to report the incident and provide them with a detailed description of the events that transpired. I cooperated fully with law enforcement officers upon their arrival at the scene, providing them with this statement and any additional information that may assist in their investigation.

I declare that the foregoing statement is true and accurate to the best of my knowledge and belief.
