

Whistleblower Statement

Name: Nelson Guie

Address: 29-31 NEIL STREET, MERRYLANDS, NSW 2160

Date: 29/02/2024

I, Nelson Guie, hereby provide this whistleblower statement regarding criminal activities that I have become aware of involving United Robot Workers, its employees, and specifically, Trevor Page.

I have recently discovered evidence indicating that Trevor Page, a senior executive at United Robot Workers, has been engaging in fraudulent activities aimed at embezzling company funds for personal gain.

Through my position within the finance department, I stumbled upon suspicious transactions linked to Trevor Page. These transactions involved the transfer of significant sums of money from company accounts to a private bank account held under the name of Trevor Page. Furthermore, I came across emails exchanged between Trevor Page and external parties named 0493836113 discussing these illicit transactions.

Upon further investigation, I found that Trevor Page had been using their position of authority to manipulate financial records and bypass internal controls to cover up their fraudulent activities. This unethical behavior poses a severe threat to the financial integrity and reputation of United Robot Workers.

In addition to the evidence of financial misconduct, I have also witnessed Trevor Page engaging in coercive tactics to silence employees who questioned their actions. This behavior creates a toxic work environment and undermines the values of integrity and transparency that United Robot Workers claims to uphold.

I believe that it is imperative to bring these criminal activities to light and hold those responsible accountable for their actions. As such, I am willing to provide further information and cooperate fully with any investigation into these matters.

For further inquiries or to discuss this matter in more detail, I can be reached at 0493836113 or via email at helpimtrappedinthisdemo@sas.com.

I trust that appropriate measures will be taken to address these issues and uphold the principles of justice and accountability within United Robot Workers.

I declare that the foregoing statement is true and accurate to the best of my knowledge and belief.
